

# FAQ

## ***Where can I find prices for products?***

You can call us at **609-642-8389** with the model number(s) and we'll tell you the list price, or you can request a quote via **sales@nbrequipment.com**. If you have access to AutoQuotes, you can also find our full catalog of products and their prices there!

## ***How do I place an order?***

Just email **orders@nbrequipment.com** your purchase order! We will send you confirmation as soon as we can.

## ***How can I get a physical copy of NBR's catalogs?***

Send us an email at **sales@nbrequipment.com** telling us how many you want, which catalogs you want, and where you want us to mail it!

## ***Do I have to buy through a dealer/sales rep?***

You can, or you can order from us directly and we will connect you with a local rep or we can guide you through the process.

## ***What rep groups do you work with?***
